

ARK

A boutique hotel with a local soul

OUR HOTEL

Welcome to Ark — a sanctuary where tradition meets timeless elegance. Every suite is uniquely crafted, each offering its own character while embracing the same guiding principles: sweeping views of the azure sea and charming village, a front-row seat to the majestic Caldera of Akrotiri, and sunsets that transform the sky into a masterpiece. Here, every moment invites you to linger, unwind, and immerse yourself in the magic of the island.

IN-SUITE SERVICES

All our suites open to the sunset-soaked Aegean Sea. Unwind in your heated pool as the sea and village views shift with the light. Enjoy soothing in-suite massages, energizing terrace workouts and private dining indulged by mesmerising sunsets. A place where each moment feels personal, quiet, and deeply Santorini.

THE VILLAGE

Pyrgos is Santorini's little rebel. A village that refused to be anything but itself. On the island's highest hill, its view is one of a kind, but it's the village character, tradition and history that steals hearts.

THE ISLAND

Santorini is an island of quiet wonders, where its magic unfolds far beyond the Caldera. In Pyrgos, Megalochori, and Emporio, narrow alleys and hidden courtyards reveal a slower, authentic rhythm of island life. The volcanic soil nurtures rare local treasures—sweet mini tomatoes, creamy white eggplants, fragrant “katsounia” cucumbers, and the intensely flavorful “kapari” harvested from wild cliffs. Wander through ancient vineyards, discover the striking black-sand beaches, and step into the timeless worlds of Akrotiri and Ancient Thira. Santorini’s true essence lives in these layers of history, flavor, and landscape—its secret gems waiting to be discovered.
